Dear Veteran,

It is the policy of SSFD/EMS to try to file all insurances as a courtesy to our patients. According to our records you have no health insurance coverage including Medicare Part B and Medicaid. As you are probably aware, the Millennium Bill may cover your ambulance transport if you meet the criteria imposed by VA.

Please answer the following questions and return this letter to us so we can determine if we need to file the claim on your behalf.

PLEASE CIRCLE ONE:

1. Are you enrolled in VA healthcare? Yes or No
2. Have you been seen by a VA healthcare professional in the last 24 months? Yes or No
3. Do you carry health insurance including Medicare or Medicaid? Yes or No

If you answered yes to # 3, please forward your health insurance information to us so we may file your insurance for payment. Upon receiving this questionnaire back, we will notify you if we are filing with VA under the Mill-Bill or billing you if you did not qualify and the bill is your responsibility.

If you have any questions, please do not hesitate to call our office. Any assistance that we can give to help you settle this account will be our pleasure.

Thank you,

Miss D. Smith
